## Congratulations...You've Decided to Teach!

In doing so, you have chosen to be a beacon for the future - one of the people who will lead today's children and youth into this brand new and exciting century.

GREAT PUBLIC SCHOOLS FOR EVERY CHILD

### Assure Your Success

You will be a role model for your students. Some days this will be a blessing; others, it will be a burden. You will be expected to impart wisdom as well as knowledge. You'll be a professional, and the best place to learn this professionalism is in your campus' S-AEA chapter.

### Why Join AEA?

When you become a member of your local S-AEA/S-NEA chapter, you join with other students, active and retired teachers who are working to promote better schools through excellence in teaching.

AEA membership is close to 20,000; NEA boasts some 3.6-million members who believe education is a noble profession, one deserving of the public's honor and respect.

You are a pre-professional. Your membership in your pre-professional organization, S-AEA, is the gateway to your professional future.

AEA is known and respected for its ability to make schools better for students and working conditions better for teachers. As a member of S-AEA, you'll have the chance to become familiar with the political issues facing our schools and to work to make positive changes. During the last legislative session, the state S-AEA President represented AEA by testifying at committee hearings on laws designed to make textbooks more affordable for college students.

### Member Benefits

In addition, you get the full range of AEA/NEA Member Benefits, the same benefits that are available to full time teachers, including \$1,000,000.00 in liability insurance for the classroom or any other time you are with public school students. There is no charge for this coverage.

AEA/NEA Member Benefits offer you discounts on everything from fast food to insurance to automobiles. If you take advantage of your discounts, you can save more than your annual dues.

Your membership card is an Access card that is your passport to savings on many, many products and services you use every day.

Log on to [www.aeaonline.org](http://www.aeaonline.org) for a list of the many places you can save. Join On-Line or on paper.

You can join by filling out a paper application, which you can obtain from your local S-AEA chapter officers or student advisor. However, the fastest way to become a member is to Join Online.
