For the past 21 years, I have taught English and Journalism in Arkansas schools, spending the last 18 years in the Hector School District as English, Journalism, Oral Communications, and Drama teacher for grades 7-12. I have been a class sponsor, SADD sponsor, and school newspaper and yearbook adviser. For the past six years, I have served as Hector CTA President. I have also served my AEA District as Secretary, Alternate Board Member and currently am serving in my first three year term as District Board Member. As District VII Board Member, I have served on several Board Committees including the Audit Committee and the Executive Director's evaluation committee.

I am the Chairman of the Educational Policies and Practices Committee and serve on the Professional Development Conference Committee. I also have served AEA by sitting on the Local President's Committee as we prepared to redesign AEA's internal structure. Should you re-elect me to serve another term, I will bring to the position of AEA District Board Member experience and leadership you can depend on. I want to represent you and serve our Association.

We Are the AEA!
