

THE ARKANSAS EDUCATION ASSOCIATION OUTSTANDING LOCAL ASSOCIATION AWARD

RULES

The *Outstanding Local Association Award* recognizes local associations for achievements in **ONE** or **MORE** of the following areas: Instruction and Professional Development, Public Relations and Communications, Membership, Political Action, and Employee Rights and Responsibilities.

Nominations must include a completed Official Outstanding Local Association Report Form, which highlights the local's involvement in the area that it wishes to compete for recognition. Failure to provide the completed Official Report Form for an area will disqualify the local from that area of competition.

In addition to the Official Outstanding Local Association Report Form, the local must submit supporting documentation to receive the maximum point value. Documentation can be, but is not limited to, photographs, news clippings, video clips, newsletters, and awards earned. This documentation will provide the Local Associations, Membership and Member Benefits (LAMMB) Committee with information to support its final decision.

There are six (6) competition categories, based on active membership:

Category 1	less than 50 members
Category 2	51 to 100 members
Category 3	101 - 250 members
Category 4	251 - 400 members
Category 5	401 - 600 members
Category 6	more than 601 members

All locals that submit an entry accept the decision of the Committee as final. All materials submitted to the Committee can be returned to the local association.

Submission of the form, letter and supporting documentation must be received at the AEA Headquarters in Little Rock by the first Friday of September at 5:00pm. Any materials submitted after this date will not be considered.
